

Baltic Centre for
Media Excellence

CALL FOR APPLICATIONS: small grant opportunity for Estonian, Latvian and Lithuanian media outlets and journalists

Deadline to apply 11 April 2019

Application language: Estonian, Latvian, Lithuanian, Russian or English

[Internews](#) in collaboration with Baltic Center for Media Excellence ([BCME](#)) in the framework of the project „Supporting Independent Media in the Baltics Action (SIMBA)” funded by the US Department of State (DOS) announces a call for applications and invites **local media outlets and content producers based and registered in Estonia, Latvia or Lithuania** to apply for a grant or fellowship.

The aim of the call is to support production of **socially important stories**. The stories must address pressing public interest issues in local community/region/country and must have multimedia elements. Experimentation with new formats is particularly encouraged.

This request for applications aims to fund and implement up to 18 projects all together in Estonia, Latvia and Lithuania. The amount of awarded grant will be **up to US\$4,000**.

Application must include:

1. Completed Subgrant Application Template, Attachment 1.
2. Budget using Detailed Budget Template, Attachment 2.

Application and questions regarding the call must be submitted by email to LT-call@internews.org. The subject line for applications must include the words “**CountryName, Organization/Initiative/Individual name**”.
